

Improvised Electro-Jazz-Funk-Space Rock

Nice little countryside town and very nice people. the fewest people we have ever played for though. It was hard to get a lot of inspiration. The guy who set up the gig was super nice though. We still had a good time. There was some very cool artwork around the bar and in the outdoor garden.

Photos by Sabine.

Recorded by Dr Space on an Edirol R-09 with Audio Reality Microphones.

The band on this night was: Jiri- Bass, Jonathan- Guitar, Violin, Vermund-
